

Job description

Are you looking to relocate? Want less traffic? Better cost of living?

Snohomish, Washington located in Central Snohomish County is a beautiful city located in close proximity to major urban areas and awesome outdoor destinations as well - you can reach the city of Seattle, the Puget Sound or the mountains within 45 minutes.

Snohomish is well known for its historic downtown area that is along the Snohomish river. People from all over come to downtown Snohomish for its shopping, unique restaurants, river walk and historic houses. A great part of living in Snohomish is that the City offers so many community events! There is always something going on for every holiday. They do zombie walks, holiday parades, wine walks through shops, a river run, Brewfest, and much more!

Locals love the views from Snohomish. You can see the mountains, farmlands with hot air balloons and skydivers, and the beautiful river! This is a great city for exercise because you can walk to the shops, walk along the river trail, or go on the centennial trail.

Dynamic Diesel & Bear Alignment Services has been a part of the historic downtown Snohomish area for the last 16 years. We have been servicing the Snohomish county area for 26 years now. We began with our roots in the Lynnwood area and when we moved to Snohomish in 2002 our reputation and relationships with our customers proved strong when they followed us out to Snohomish.

We are a family run business with strong morals and ethics. We have a strong but small team and are currently looking to expand. We are looking for an experienced Diesel Mechanic to keep up our level of commitment to safety and customer service. In this role, the successful candidate will perform truck repair and maintenance work in accordance with factory and industry standards, run diagnostics on vehicles and work closely with other team members to meet company goals. This is a fabulous opportunity

for a knowledgeable, hardworking Diesel Mechanic to apply his or her skills in a company that offers a competitive salary and comprehensive benefits.

Responsibilities will include but are not limited to:

- Perform minor and major repairs on light to medium duty diesel trucks
- Use diagnostic tools to test vehicle components
- Perform quality inspections prior to returning the vehicle to the customer
- Maintain parts inventory and cleanliness in the shop
- Collaborate with repair team to diagnose problems with vehicles and plan repairs
- Maintain accurate records of each repair performed on vehicles

Qualifications:

- 3+years as a light to medium duty diesel mechanic
- Knowledge of shop equipment
- Strong mechanical aptitude and troubleshooting skills
- Comfortable with the use of factory scan tools.
- Knowledge and use of Mitchell 1 and All Data a plus
- Deadline and detail-oriented
- Ability to thrive in a fast-paced environment
- Ability to pass a background check and drug test
- Must have valid drivers license
- High school Diploma or Equivalent

We offer competitive pay and comprehensive benefits along with paid sick time, vacations and holidays. *For a truly A level Diesel Technician we are offering to pay a portion of moving costs!!*

Please consider joining our stable, family oriented, positive cultured, Automotive Diesel shop.
